

# Wellington Ambrose Tournament March 17, 2018.

From the Manawatu, we took 7 players who enjoyed the challenge of the Ambrose golf and playing with 7 club members from the Mornington Golf club. We started the day with trying out some snag gear and winning golf balls for our efforts. Thank you Ray for inviting us to your fun event.

### THANK YOU

To all of the players who came to play at the Wellington Ambrose event. Special Thank you to the awesome volunteers who came out to partner with our players.

It was great to see the Hawkes Bay players and catch up with the Wellington players again.

Playing 6 or 9 holes Ambrose was the highlight for our players who usually only get to do the Skills at Special Olympics events. Playing a few holes brought meaning to the game.

Trying out the SNAG gear and winning some golf balls was also fun.

Thank you Ray and the Mornington golf club for putting on lunch and inviting us to such a great day.

We will return the invitation later in the year.
