If you know anyone interested in playing summer golf, please let them know about our summer membership offer. Contact us at the club to sign up or for more information.

## Working Bee - Saturday October 4 2025

Our Spring working Bee will be held on Saturday 4th October, starting at 8:00am. Please join us and spend a few hours to help maintain the clubrooms, practice area and some parts of the course. We will have a list of jobs you can help with!

**Greens** - Over the next couple of weeks our greens are scheduled for coring. This may affect your play while this is completed. Thank you for your patience but it helps maintain the health of our course.
